About the Houses Program and Partner Organizations

Mission Housing Ministries is a 501(c)(3) charity based in Mount Dora, Florida and Comitancillo, Guatemala. They have been ministering in rural Guatemala for about 25 years. They host short-term mission teams, help train local pastors and community leaders, and invest compassionately in people through programs which include these scholarships.

The Abandon Project is a 501(c)(3) charity based in Matthews, North Carolina. Their mission is to love, serve, and give hope to people who are marginalized and forgotten. They have been serving in Guatemala for 5 years with a focus on building a student scholarship program, providing homes for widows, and other community development projects.

The houses for widows program is a partnership between MHM and AP, with MHM leveraging its staff and infrastructure in Guatemala and AP leveraging its abilities for promotion and stateside fundraising.

Funds are used for purchasing construction supplies, and for paying a local, Mayan site-manager to supervise construction. Volunteer labor is often provided by local churches or by visiting US mission teams.

Our goal is to put at least 90% of your money to work in Guatemala.
