

## Olga Maria Lorenzo Lopez

Olga Maria Lorenzo Lopez received 250.00 quetzales from the animals project. She bought 20 chicks of one week of age. They cost 9.00 quetzales each. That makes a total of 180.00 quetzales. She used the rest of the money toward the feed for the chicks. She bought 25 pounds of feed at 2.80 quetzales a pound. (One Quetzal is \$7.75 US, so Olga received just over \$32).

After 5 months, 2 chicks died, and 18 made it. She sold each chicken for 75.00 quetzales. Total of money gotten from the sale. Q1,350.00 or \$174 US.

Olga managed to multiply the small gift that she received into something that could help feed her family and continue as a small business.

### About the Animal Sponsorship Program

Mission Housing Ministries is a 501(c)(3) charity based in Mount Dora, Florida and Comitancillo, Guatemala. They have been ministering in rural Guatemala for about 25 years. They host short-term mission teams, help train local pastors and community leaders, and invest compassionately in people.

The animal sponsorship program is presently supported by two US Awana children's ministry programs. The children bring offerings to be used in the missions field. Many children will "buy" a chicken or team up to buy a larger animal like a pig or a goat. 100% of their donated money is used to purchase animals for needy families.
