

## Helping you raise funds for your Mission Trip!

Over the past 25 years we have seen God working in so many lives both here and abroad through short term mission trips. And we have heard so often that raising funding is the biggest challenge.

To help, we have partnered with Blessed Bean Coffee to provide a new tool for fundraising within your church and community. Mission Grounds coffee is sourced from Guatemala and roasted and ground here in the US. We have a several varieties and sizes available to help you fundraise. And in true Mission House fashion, we provide it to you at our wholesale cost. It is a ministry to help your ministry.

If you are not familiar with Mission Housing Ministries, please visit our website or contact us personally. We would love to talk about the Lord's work that is being done in rural Guatemala through our small organization.

Please complete and return the attached order form if you would like to place an order.

May God bless you!

## Retail Pricing

We offer coffee reasonably priced so that you can effectively fund your ministry. We do not set a retail price for you. However, you might consider \$3 ea for the samplers, \$10-12 for Trapichitos, and \$12-15 for Organic. Research pricing online and don't forget to allow a little extra for shipping.

## Freight and Shipping

Shipping via UPS ground will be added to the cost of your order.

## Sales Tax

We prefer to sell at wholesale directly to churches and charitable organizations. This keeps our bookkeeping and sales tax filings simple. If you would like to purchase coffee individually at retail pricing, please contact us and we will discuss the options.

## Payment

Payment is due prior to shipment via either credit card or check. We can contact you with a total once shipping costs have been calculated.
